Re: Freedom of Information Act Request

Dear Sir or Madam:

I write to request records from the United States Environmental Protection Agency ("EPA") pursuant to the Freedom of Information Act ("FOIA"), 5 U.S.C. §552, and the EPA regulations at 40 C.F.R. Part 2.

The FOIA statute and regulations indicate that records being sought should be "reasonably described." The following reasonably describes the records I seek:

All external communications within the last five (5) years regarding Pilgrim Nuclear Power Station ("PNPS"), except communications with the owners, operators or representatives of the PNPS facility.

I have made a reasonable search of publically available materials for the documents requested.

For purposes of this request, and as provided in 5 U.S.C. § 552(f)(2), the term "records" includes "any information that would be an agency record subject to the requirements of this section when maintained by an agency in any format, including an electronic format." To the extent that EPA excludes records from its response, please identify each record (title, date, author, recipient) and the legal ground(s) for exclusion.

I hereby authorize EPA to spend \$500.00 in responding to this request in compliance with 5 U.S.C. §552. If EPA cannot fully respond to this request within that budget, please contact me at 617-570-1126 to discuss whether I will authorize additional expenditures.
